

God was in Christ the first peacemaker.

John 14:27 "Peace is what I leave with you; it is my own peace that I give you. I do not give it as the world does. Do not be worried and upset; do not be afraid."

Now what Jesus is saying that (you'll be doing) what God set out to do and you are his beloved children. Because you endeavored to make peace.

Psalm 29:11 "The Lord gives strength to his people and blesses them with peace."

You are to be (congratulated) because you will be recognized as sons of God. A son, you know, that expression as to what it means. It is the characteristic of. It is used as the (sons) of thunder in the New Testament. Meaning, they have the characteristics of thunder. A son is to have the characteristics of the father. Now this is what Jesus is saying. Now Paul said a lot about God making peace and reconcile to the father. This is the highest work within a man. We will have peace, brethren, when there are more peacemakers. And peacemakers are the sons of God. They are engaged in doing what the father does. They are his sons. And because God was the God of peace, we are told he brought again from the dead - our Lord and Saviour - Jesus Christ. Sons do what the Father is doing.

God of Peace

The man who led the Japanese attack on Pearl Harbor declares that the newly-released movie "Tora, Tora, Tora" is historically accurate in its re-creation of the bombing raid.

And he praises the Japanese actor Takahiro Tamura for playing his role even "better than me."

But for Mitsuo Fuchida, the lieutenant

commander who led an attack force of 384 planes in the raid of December 7, 1941 the film is welcome primarily because it will provide opportunities for him to preach the Christian gospel to more people.

Mr. Fuchida's comments were made during a visit to New York for the film's premiere. He planned also to visit several

European cities to help publicize the movie.

Now a Presbyterian lay preacher Mr. Fuchida plans to conduct evangelistic services in Japanese cities where the film is shown, counting on the natural curiosity about a historical figure to draw people and give him a chance to tell them about his new faith.
