

Miss. ask China man who returned mission had he
ever heard the Gospel before? - No - I have seen it -
know man who use to be the terror of town. Opium
smoker - dangerous as wild beast. Now wholly changed.
Gentle & good.

Boy - hotel - talk - dinner talking of Sol. - See that girl -
is she your wife - No - if to be your wife what
would have to take place - know her, be in her
company - eat - writing - companionship.

Do you know what it is to have this companionship of Jesus?

I. OCCASION

Jesus weary, seated upon edge of well--
Conversation with woman--
Secrets of her immoral life--

Now they said Master eat---

My meat is to do---- we have two natures to be fed-physical
and also spiritual.

What is your purpose in life? To do the will of him that-

There are conflicts to face- many struggles with the flesh.
There are some resources to fall back on-

II. WHAT ARE THESE HIDDEN REINFORCEMENTS OF LIFE ?

1. THERE IS CONSCIENCE - Jesus 3 Temptations .

when we are tempted, when some one says will you do
thus and so for a certain amount of money-- there
comes ringing back of all of it Conscience pleading
for right to prevail...The big ? is not is it
customary or profitable but is it right.
