

Lessons for the church today:

How we “do church” matters to God
Men grow careless in worship when
They get too casual in their worship
They grow careless with His Word
They grow cold in their relationship
Their sense of the holiness of God diminishes
Idolatry is the worship of a “lesser god”
We must constantly be reminded of
The holiness of God
The greatness of our sin
The magnitude of the work of Christ in the cross of Calvary
